### **"Broken"**

A Lent course based on the TV series of the same name which follows the life of a Roman Catholic priest and his attempts to bring the light of Christ into the lives of others whilst struggling with his own past trauma and anxiety.

This is a gritty and unvarnished portrayal of life and deals with some upsetting and disturbing themes, it is not for the faint hearted. The course is shaped around the issues that arise in the series but depending on the group could lead us anywhere.
