

A message from Group Clergy: Adele, Elizabeth and Helen

The Church of England has announced that all public worship is suspended in light of the coronavirus. For the churches in The RNWK Group this means that there will be for the foreseeable future no services in any of the group churches that are open to church members or members of the public to attend. In accordance with the guidelines issued by the Archbishops, the clergy together will maintain a rhythm of Morning Prayer and Eucharistic worship throughout each of our churches on a rota basis.

The archbishops wrote that, ' Being a part of the church of England is going to look very different in the days ahead. Our life is going to be less characterised by attendance at church on Sunday, and more characterised by the prayer and service we offer each day. We may not be able to pray with people in the ways that we are used to, but we can certainly pray for people. And we can certainly offer practical care and support.'

We will be in touch shortly offering details of available resources for prayer and worship, and we will also be working hard to coordinate pastoral care and service at parish level.

Please be assured of our prayers at this time.

Blessings and Peace,

Adele, Elizabeth and Helen
