Easy Eco Tips from A Rocha

A Rocha UK is a UK registered charity which exists to help protect & restore the natural world & equip Christians & churches in the UK to care for the environment.

November - As winter creeps in, homes are really important. God calls us to give nature a home, too. Does your garden have a bird feeder? Could your balcony or windowsill do with some plant life? If you don't own the house you could make a case to the homeowner for a bird box, hedgehog highway or whatever. (For a hedgehog highway do make sure the neighbours are OK with you making a small hole in a shared fence). Why not gather your housemates, friends and family to discuss how a new recycling, heating or transport arrangement might work for you all - you'll go further together!
